## Environmental Policy Statement

ALRA believes that we have a responsibility to care for and protect the environment in which we operate. We are fully committed to improving environmental performance across all of our activities, and will encourage our business partners and members of the wider community to join us in this effort.

ALRA recognises our key impacts to be in the areas of [for example]:

- energy use
- raw material use
- waste generation
- water use
- transport

We will strive to:

- Adopt the highest environmental standards in all areas of operation, meeting and exceeding all relevant legislative requirements.
- Assess our organisational activities and identify areas where we can minimise impacts.
- Minimise waste through careful and efficient use of all materials and energy.
- Purchase sustainable products wherever feasible [e.g. recycled, FSC or low environmental impact products and energy from renewable sources].
- Publicise our environmental position.
- Encourage employees in good environmental practice and encourage employee involvement in environmental action.
- Reduce risks from environmental, health or safety hazards for employees and others in the vicinity of our operations.
- Pursue an environmentally sound transport strategy.
- Assist in developing solutions to environmental problems.
- Continually assess the environmental impact of all our operations.

ALRA will periodically review performance and publish these results in an appropriate manner.
